

Search trade marks report

The EUIPO has searched for trade marks with similar wording that share at least one class of goods and services with your trade mark.

This search is based on trade marks registered in the European Union and in its different Member States.

Results table

This list may contain conflicting trade marks. Because of this, other companies may challenge your mark.

Please also note that this list is not exhaustive. If you are concerned about conflicting trade marks [you might consider modifying your trade mark and seeking legal advice from a professional](#).
